SECTION A-A

ITEM NO.	PART NUMBER	DESCRIPTION	QTY.	WEIGHT KG
1	1-5x3-5x35	2x4 (1.5x3.5) 35 inches	13	2.26
2	1-5x3.5x24	2x4 (1.5x3.5) 24 inches	35	1.55

83kg 183lb

ASSEMBLY INSTRUCTIONS:
Use propolis or beeswax or natural glue (3 TBSP Gum Arabic, 1 TBSP Glycerine, 1/2 tsp water mixed) to glue boards together, screw or nail where necessary. Extra boards for bracing and a flat smooth area may be needed for assembly. Beeswax can also help seal lid. There is 1/4" between top bars and lid, this is large enough for bees to crawl within. Airflow holes that can be accessed in this space are important to prevent condensation.
